At Our Lady of Sorrows Catholic School, we spend an abundance of time thinking about the ways children learn and grow, and this understanding shapes everything we do – in the classroom, on our playing fields and in the community. It's a constant challenge to focus the energy and enthusiasm of all our students, but it's critical, because we have pronounced expectations for them. We want them to develop in mind, body and spirit, so that they become discerning Catholic graduates. Our goal is to educate the whole child and an emphasis is placed not only on academics but on character education as well. OLS is an educational institution that has embraced 21st century fluencies and it is our collective hope that we become leaders with this transformational methodology.
