En 1964, une entité francophone prenait forme dans une école anglaise pour les secteurs Étobicoke de North York. Il faudra attendre jusqu'en 1976 avant que tous les intervenants scolaires ne réalisent leur grand rêve: la construction de la première école française catholique desservant la clientèle de l'ouest de la ville de Toronto. Depuis, des milliers d'élèves ont fréquenté notre école, répondant ainsi aux besoins des parents qui sont venus chercher chez nous une éducation reposant sur les caractéristiques essentielles telles la foi chrétienne et la fierté de la langue française.

Madonna is a highly diverse school community which strives to provide a common bond for its diverse population in several ways. The most evident bond in the school community comes from a shared sense of Catholic values provided through the environment of a Catholic school. Students are provided with a rich curriculum of religious studies supported by a co-curricular program consisting of school and class liturgies, retreats, community outreach, linkage with our local parish (St. Philip Neri), peer helping, peer mediation, and daily prayer. Madonna Catholic Secondary School is only one of the few schools in the Toronto Catholic District School Board which is currently offering a Specialist High Skills Major Program in the area of Health and Wellness.

The ultimate aim which gives direction to Catholic secondary education is to provide those directions which make possible the maximum development of each young person as a being of unique worth and supernatural destiny. This involves the total development of the human person--religious, intellectual, cultural, emotional, social, physical and ethical. At Chaminade we foster the concept of the community and the Christian family. We celebrate our multiculturalism, our common membership in the human family and speak of the brotherhood among our students and graduates. The theme of mutual respect and responsibility for the school and what happens within the building and on the grounds, is stated as the responsibility of all in our community.
